This project aims to engage interested parties/past participants in actively creating a piece of Forum Theatre with the possibility of presenting. The process will engage you both as a participant in a Forum and as a trainee in the methods. There will also be time set aside for conversation on how you specifically use the techniques and/or any questions you may have for each other.

The Forum creation process will be facilitated by Lindsay Ruth Hunt, All Nations Theatre.

Snacks will be provided each day. Please bring a lunch, water, comfortable clothes and a note pad. There is a fridge and microwave on premises.

Participation is by invite only, however, if you know someone who is interested please inform me.

RSVP your participation by Feb 13 at lrhunt.allnationstheatre@telus.net or call 403-261-5877

***Dates subject to enrollment. Additional dates, depending on creation outcome, may be added. Due to the nature of the process, full commitment to all of the dates is required.*
